

Recognizing the Centennial Year in July

The 100 year celebration for Vero Beach is approaching quickly. Many activities have passed, some are still happening over the next few months. And most importantly, many groups of individuals are working towards what the community can expect during the day of Saturday, October 26. Fill out the Parade Participation form on www.VeroBeach100.org. Deadline is approaching.

Under the direction of Centennial Co-Chairs City Clerk Tammy Bursick and Councilman Tony Young, the community is invited to take advantage of any or all of the Centennial activities which represent the city's history, landmarks, ancestors, organizations, agriculture, education, transportation and the arts through the decades of technical, beautification and architectural advancements. This is an opportunity to share our history, our accomplishments and our people in a very memorable fashion.

Florida Power & Light is the Centennial Presenting Sponsor. Your sneak peek for the month of July is sponsored by Monthly Sponsors: Sexton, Inc. and New Vision Eye Center and is listed below. WTTB New Radio 105.7 FM/1490 AM is the Official Centennial Flagship Radio Station.

Please visit the Centennial website www.VeroBeach100.org regularly for times, locations and details on all activities. Event times, dates, locations and descriptions are subject to change.
