

## "Vero Beach Then & Now"

Many Vero Beach restaurants will be using Centennial themed placemats on their tables over the next year courtesy of ABC Printing Company. The staff of [ABC Printing](http://www.abcprinting.com), under the direction of owner Chris Beals, is responsible for creating and printing thousands of placements. The theme "Vero Beach Then & Now" depicts Vero Beach through photographs and reminds people of the Centennial website, [www.VeroBeach100.org](http://www.VeroBeach100.org). The placemats are now available for all restaurants to use throughout the entire Centennial year which begins in October 2018 and continues until October 2019,

"The focus of the themed placemats is to keep people aware of the year-long celebration no matter where they are," shares Tammy Bursick and Tony Young, co-chairs of the Centennial committee. "Restaurants are being offered the placemats free of charge."

The initial delivery of placemats will be delivered to the interested restaurant by a representative of the City and subsequent supplies will be delivered directly by ABC Printing.

"Many restaurants have already jumped on board to use the placemats in their establishments, Bursick and Young conclude. "We are thrilled by the response. It is our hope that while people are eating they will visit the Centennial website and find out what exciting activities they wish to attend."

For those interested restaurants not currently signed up for a delivery, contact Tammy Bursick at 772-978-4700. ABC Printing Company is located at 1547 20th Street in historic Vero Beach and can be contacted at 772-562-0624.

Please visit the Centennial website [www.VeroBeach100.org](http://www.VeroBeach100.org) regularly for times, locations and details on all upcoming activities. Event times, dates, locations and descriptions are subject to change.
