

The Garden Club Presents The City Centennial Christmas Ornament

The Garden Club of Indian River County proudly presents its 27th Annual Christmas Ornament which commemorates the Centennial of the City of Vero Beach. The ornament is an original design by Arun Wijetilleke and features the Oceanside location, the Alma Lee Loy Bridge, a Piper Cub airplane, the Lagoon, palm trees and an orange tree, all important aspects of the city's history.

Accompanying the ornament is a brochure entitled "The History of Vero Beach" by Alma Lee Loy who graciously allowed the Garden Club to reprint the remarks she originally shared at a program at the Vero Beach Country Club.

Over the years the ornaments have featured the historically significant Train Station, Pocahontas Park, The Woman's Club, Downtown Vero Beach and Dodgertown, among others.
